

## Index to ASTL Volume 46

Author	Feature Article	Vol/Issue	Page No.
Edmondston, J	The Biochemistry Revolution: Distinguishing Fact from Fantasy and Folly?	46(4)	11
Evans, H and Fisher, D	Cultural differences in students' perceptions of science teachers' interpersonal behaviour.	46(2)	9
Fraser, A	The South Stradbroke Island Report: an approach to teaching ecology at the senior school level.	46(1)	28
Jackson, L	Applying virtual technology.	46(2)	19
Kelleher, R	A review of recent developments in the use of information communication technologies (ICT) in science classrooms.	46(1)	33
Mills, A	Teaching the digital generation, the challenge of relevance.	46(3)	30
Parker, L	Learning technologies and their impact on science education: delivering the promise.	46(3)	9
Panizzon, D and Boulton, A	Biodiversity in Australia: What, where, and for how long?	46(4)	17
Semple, A	Learning theories and their influence on the development and use of educational technologies.	46(3)	21
Shoring, N	Evaluation of the CREST Award program in Australia.	46(2)	24
Schibeci, R	Students, teachers and the impact of biotechnology on the community.	46(4)	27
Swinson, J	Intellectual property.	46(3)	36
Taylor, N and Lucas, K	Implementing and evaluating a sequence of instruction on gaseous pressure with pre-service primary school student teachers.	46(4)	34
Van Rooy, W	Controversial issues withing biology: enriching biology teaching	46(1)	20
Yeo, S and Zadnik, M	Newton, we have a problem.	46(1)	9
<b>Science Notes</b>			
Broadfoot, J	Using local examples of anemonefishes to teach classification.	46(2)	42
Donovan, J	The Organ Race	46(4)	45
Kentish, B	Simple device for measuring screening efficiency and ground cover	46(3)	50
Lowery, R	Some techniques for teaching about the structure and function of chromosomes.	46(1)	47
Taylor, N and Nathan, S			
McClellan, M	Rocketry in the Science Classroom.	46(4)	46
P????, M	Mis...??? concepts: some notes and activities.	46(3)	??
Turley, M	Exercise to improve the reading skills of students.	46(3)	52
Van Rooy, W	Animal Experimentation.	46(2)	45
Van Rooy, W	Diabetes management: the interests of patients, doctors and drug companies.	46(1)	54
Wilkins, B	Only looking good in the mirror.	46(4)	45
<b>Changing faces of science</b>			
	Albany Creek High School students	46(1)	45
	Armand, Professor Leanne	46(2)	30
	Benkendorff, Dr Kirsten	46(1)	43
	BHP Science Award student winners (2000)	46(4)	43
	Cudahy, Dr Tom	46(3)	39
	Nossal, Professor Sir Gustav	46(1)	40
	Vickers-Rich, Professor Pat	46(2)	28
